

Studfall Infant School -Clifton Canopy

Client:

Studfall Infants School

Product:

Clifton Canopy and Mini 011 seating

Scope of Project:

To provide a quiet seating area in the playground beneath a canopy. Macemain provided mini 011 seating and a lean to Clifton Canopy.

Project Programme:

6 weeks for design, manufacture and installation

Outline Specification:

- 60mm x 60mm aluminium box section, polyester powder coated finish in a standard RAL colour
- 3mm UV stabilised polycarbonate flat roof, supported with aluminium ribs
- Mini 011 seating

Project Description:

Working with a local school we developed a mini version of our 011 range of seating and incorporated it under a canopy with stabilised UV polycarbonate.

Angela Brinkman, Head Teacher for Studfall Infant School, said *“The seating has received favourable comments from parents who find the design, colour and comfort all very positive. Providing quiet seating areas in the playground helps us to contribute to the children’s emotional well being at school, and as they are under a canopy it also promotes sun safety...”*
