

Southern Railway – Gate Line Canopies

Project Name:

Southern Railway, Gate Line Canopies

Product:

Paragon Gate Line Canopies

Client(s):

Southern Railway
Various Contractors

Scope of Project:

The design, manufacture and installation of Paragon gate line canopies of varying sizes at stations throughout the Southern region. To date we have completed the installation of 17 nos. Paragon gate line canopies for Southern.

Project Description:

The Paragon Gate Line Canopy is a semi enclosed unit that provides protection for the electronic ticket gate lines utilised throughout the rail network. The flexibility of the Paragon design enables us to retrofit these canopies into existing stations within very restrictive environments and to very tight tolerances.
